

Walking the Labyrinth

A different way of praying

Saturday 16th April

at the Methodist Church, Stoke Hammond

Come and go any time
from 10.00am to 4.00pm

A labyrinth is a single path to follow, which is marked out in a pattern on the floor or ground.

Over the centuries many Christian people have walked labyrinths as a way of entering into prayer and reflection.

All are welcome, either to walk, or just to sit.

There is no age limit, but all those who come will be asked to respect a quiet and prayerful atmosphere.

This event is prepared by Tim Waller and Revd. John Waller
